The Wonderful World Of Work?

9-1-24

Warm Up: Growing up, what was one chore you enjoyed doing?

1. Did you like school? What was the best part?
2. We may often think of school as some sort of preparation, but often only related to a specific subject. How can the schooling experience be beneficial from a much broader perspective? What does that say about the classes/subjects/projects that you didn't like?
3. How do you see 'work'? a benefit, a means to an end, drudgery, annoyance, blessing, painful, etc.? Explain.
4. Many of us want significant assignments, 'important' tasks, admirable. What makes the "Progress Principle" so difficult? (that principle states that, 'Doing Little Jobs well is often the Pathway to Greater Possibilities' [Matthew 25:21])
5. Read Genesis 2:15 and Ecclesiastes 3:12-13. What tone do these verses set for work?
6. Even if you don't like the work, if you are looking for a new job – how are these verses beneficial for your attitude (1 Corinthians 10:31 & Colossians 3:17, 23)?

The Wonderful World Of Work?

You're encouraged to write what God brings to you during today's message.

Word for The Week (NLT)

Work willingly at whatever you do, as though you were working for the Lord rather than for people.

Colossians 3:23

Commit your actions (work) to the Lord, and your plans will succeed. **Proverbs 16:3**

So whether you eat or drink, or whatever you do, do it all for the glory of God. **1 Corinthians 10:31**

Work brings profit, but mere talk leads to poverty!
Proverbs 14:23

Lazy people want much but get little, but those who work hard will prosper. **Proverbs 13:4**

²¹ "His master replied, 'Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!'" **Matthew 25:21**
